#### Board for the Coordination of Child Care Regulation IC 12-17.2-3.1 (November 1, 2004)

The Board was established to study the following topics:

- (1) The need for changes in the scope and degree of child care regulation established by statute or rule.
- (2) The need to reorganize governmental units involved in the regulation of child care facilities to promote effective and efficient child care regulation, including the form that a needed reorganization should take.
- (3) A method for the completion of a statewide needs assessment to determine the availability and projected need for safe and affordable child care.
- (4) The need for programs to meet the needs of Indiana residents if the board determines that safe and affordable child care facilities are not available and easily accessible.
- (5) The effect of federal legislation on child care and the need for statutory changes to qualify for federal child care grants and to comply with federal child care requirements.
- (6) The immunization rates at licensed child care centers to determine if children at the centers have received age appropriate immunizations.

Environmental Quality Service Council P.L. 248-1996 (SEA 138) Reestablished by SEA 121-2001 (December 31, 2005)

The Environmental Quality Service Council (EQSC) is required to do the following:

- (1) Advise the Commissioner of the Indiana Department of Environmental Management (IDEM) on policy issues decided upon by the EQSC.
- (2) Review the mission and goals of IDEM and evaluate the implementation of the mission.
- (3) Serve as a council of the General Assembly to evaluate:
  - (A) resources and structural capabilities of IDEM to meet IDEM priorities; and
  - (B) program requirements and resource requirements for IDEM.
- (4) Serve as a forum for citizens, the regulated community, and legislators to discuss broad policy directions.
- (5) Submit a final report to the Governor, the General Assembly, the Budget Committee, and the Administrative Rules Oversight Committee each year that contains:
  - (A) an outline of activities of the EQSC;
  - (B) recommendations for any IDEM action;
  - (C) recommendations for any legislative action; and
  - (D) an estimate of funding levels required by IDEM, including an evaluation of permit fees.

The environmental quality service council shall do the following as required by SEA 259-2002:

- (1) Develop and propose a plan for the creation and funding of an effective hazardous air pollutant monitoring program to help assess potential health risks from hazardous air pollutants posed by urban air and significant sources.
- (2) Consider methods for the department of environmental management and state department of health to:
  - (A) request and receive hazardous air pollution release information in a timely and effective manner; and

- (B) communicate to the public and the reporting sources (as defined in IC
- 13-11-2-213) the responses received as a result of the requests.
- (3) Provide to the executive director of the legislative services agency at the time the environmental quality service council submits its final report in 2002 as directed by the legislative council:
  - (A) a report of its activities under subdivisions (1) and (2); and
  - (B) an outline of the hazardous air pollutant program plan developed and proposed under subdivision (1).
    - (b) This SECTION expires January 1, 2003.

The environmental quality service council shall do the following as required by HEA 1306-2002:

- (1) To the extent the following are involved in the implementation of a rational wetland management policy, consider:
  - (A) Protection of surface and ground water quality.
  - (B) Control of location of accumulations of water.
  - (C) Water rights.
  - (D) Agricultural land use.
  - (E) Nonagricultural land use.
  - (F) Flood control.
  - (G) Natural habitat protection.
  - (H) Any other matter the council identifies.
- (2) Recommend principles for addressing state or local government management of and, with respect to state management, state agency responsibility for:
  - (A) land areas with wetland characteristics; and
  - (B) location and quantity of nonwetland surface water;
  - not under the jurisdiction of the federal Clean Water Act (33 U.S.C. 1341).
- (3) Recommend a framework for overall state policy on wetlands to implement the 1996 Indiana Wetland Conservation Plan with goals, objectives, and responsibilities, including recommendations on:
  - (A) as a long term strategy, the types and functions of wetlands that are valued in particular geographic areas; and
  - (B) the means for restoring, maintaining, and protecting wetlands, including identification of agencies to be involved and the incentives to be offered.
- (4) Recommend the appropriate role and components of banking programs as part of a mitigation rule to foster private initiatives to restore wetlands in the context of a rational statewide wetland strategy.
- (5) Consider the options for statutory definition of "private pond" and explain the implications of each option.
- (6) Submit its final report on the matters referred to in subdivisions (1) through (5) before November 1, 2002, to:
  - (A) the governor; and
  - (B) the executive director of the legislative services agency.
  - (b) The environmental quality service council shall consult with and otherwise involve in its proceedings for consideration of the matters listed in subsection (a):

- (1) the director of the department of natural resources or the director's designee; and
- (2) representatives of all federal agencies involved in the regulation of wetlands.
  - (c) A state agency or board may not:
- (1) adopt or amend an administrative rule concerning the definition of "wetlands" or "isolated wetlands"; or
- (2) enforce an administrative rule promulgated after January 1, 2002, that concerns the definition of "wetlands" or "isolated wetlands";

until the environmental quality service council has submitted its final report under subsection (a)(6) or May 1, 2003, whichever occurs first.

The council is charged with studying these additional topics:

- (A) State policies and rules on wetlands (SB 141).
- (B) Vehicle emission testing in Floyd and Clark Counties (Legislative Council).
- (C) Vehicle emission testing in Lake and Porter Counties (Legislative Council).

#### Health Finance Commission IC 2-5-23 (Amended by SEA 227-2002) (Permanent)

P.L.11-1995, SEC. 1 established the Health Finance Commission to study health finance in Indiana. The commission may study any topic:

- (1) directed by the chairman of the commission;
- (2) assigned by the Legislative Council; or
- (3) concerning issues that include:
  - A. the delivery, payment, and organization of health care services; and
  - B. rules adopted under IC 4-22-2 that pertain to health care delivery, payment, and services that are under the authority of any board or agency of state government.

As required by SEA 227-2002, the commission shall develop a plan to reorganize the office of the secretary of family and social services established by IC 12-8-1-1. Before November 1, 2002, the commission shall issue a final report. The final report must:

- (1) describe the reorganization plan required by this subsection; and
- (2) contain recommendations for legislation.

The commission shall submit a copy of the final report to the executive director of the legislative services agency.

(c) This SECTION expires December 31, 2002.

The commission is charged with studying this additional topic:

(A) Medicaid policy and planning reorganization (SB 229).
